📍 0370-01, Abdur Rashid  
Sarak, Jessore.

## Education

Bachelor of Science

North Western University

2021 - 2024

Higher Secondary School  
Certificate

Jashore Shikkha Board Model School &  
Collage.

2020

Secondary School Certificate

Jashore Zilla School, Jashore.

2018

## Skills

- C
- C++
- HTML
- 3D Designing
- Asset Developing

## Language

Bangla  
English

## About Me

Creative and detail-oriented 3D Designer with a passion for transforming ideas into immersive visual experiences. With a solid foundation in modeling, texturing, and rendering, I bring a balance of artistic vision and technical skill to each project. Proficient in Blender, I excel at developing assets that align with both creative concepts and technical requirements. Known for my collaborative spirit and problem-solving ability, I thrive in team environments and am driven to push the boundaries of 3D design to deliver visually compelling results.

## Work Experience

Oct 2024 - present

Unicorns Codes Ltd.

3D Designer

- Design, model, and texture high-quality 3D assets, including characters, props, environments, and product models.
- Developed detailed, realistic textures and materials using Blender 3D.
- Created realistic lighting and rendering setups for scenes
- Maintained a well-organized workflow, adhering to project deadlines and effectively managing file structures.
